

Wrocław, 22nd September 2017

### Cancellation of tendering process:

#### 1. Subject of the order:

Subject of the order is delivery of the control system of the hydraulic test rig.

#### 2. Date of request:

13<sup>th</sup> September 2017 – 21<sup>st</sup> September 2017, 14:00 PM at the latest.

#### 3. Justification for the cancellation of the tendering process:

The Ordering Party, referring to point. 3.2.c. request for quotation, which subject of the order is: *Delivery of the control system to the hydraulic test rig*, invalidates the present tender because of the bid price proposed by the Tenderer, which exceeds the amount that the Ordering Party intends to spend on financing the contract.
